Hello Darkness, my old friend,
The self-doubt that comes creeping in.
Hello Darkness, fickle and fiendish,
It is nice to see you again.

Hello Ambition, my old mentor,
The hunger that has me ceasing never.
Hello Ambition, controlling and unending,
It is good to see you again.

Hello Fear, my old companion,
The sickness that feeds my abandon.
Hello Fear, raw and uncut,
It is nice to see you again.

Hello Anger, my old lover,
The fire that never sated hunger.
Hello Anger, lean and strong,
It is nice to see you again.

Hello Lust, my old partner,
The taste that pushed me harder.
Hello Lust, empty and rich,
It is nice to see you again.
